

PUBLIC SAFETY
AGENDA

COMMITTEE ROOM – June 21, 2004
1:30 P. M.

1. Consider a request from the Downtown Advisory Panel regarding a recommendation concerning alcohol distance requirements in the downtown area.
2. Approval of server purchases, upgrades & replacements.
3. Approve the replacement of obsolete computer equipment (laptops, computers, printers) and purchase any required computer software upgrades.
4. Report from staff regarding the situation of Mrs. Ruby Johnson of Railroad Street. (Referred from June 7 Public Safety)
5. Approve the proposal from Rapiscan to replace the x-ray security inspection system at the Law Enforcement Center. Rapiscan is the sole source for this equipment due to the fact that all the existing equipment has been purchased from Rapiscan all systems need be integrated and have to be compatible with each other.
